Job Posting

Manager of Operations Competition #09 - 65

Be a part of Port Moody's vibrant future...

The City of Port Moody is a growing community of 30,000 residents located 25 minutes east of downtown Vancouver at the head of the Burrard Inlet. To achieve our goal to provide services that enhance the quality of life for all of our residents, we are looking to attract an energetic leader in the challenging position of a Manager of Operations.

Reporting to the Director of Engineering and Operations, the Manager of Operations is responsible for the planning, organization, control, and direction of issues related to water, sewer, roads and drainage systems, solid waste and recycling collection, snow clearing operations and fleet management. You will ensure the City's infrastructure meets all servicing requirements by planning and administering replacements, upgrades and maintenance, and preparing tenders for capital equipment, construction and maintenance services and administering contracts. Supported by the Operations Superintendent and the Supervisor, Solid Waste and Common Services, you will provide leadership and direction to a diverse group of employees in four functional areas – Roads and Drainage, Utilities, Solid Waste and Fleet management.

You hold a degree, diploma or certificate in Applied Science Technology. Preference will be given to candidates with a civil / structural engineering background. You have 5 to 7 years of progressive technical experience. An equivalent combination of education and experience will be considered.

Please submit your résumé, by mail, fax, or e-mail (but not all three), with a detailed point form outline demonstrating how your skills & experience correspond to each of the required duties & qualifications, quoting competition #09 - 65.
