

APWA, 2010 National Awards Program Call for Nominations

The APWA is accepting submissions for its annual 2010 National Awards Program and the PWABC is seeking nominations to submit on behalf of the BC Chapter.

The APWA Awards Program was established to recognize outstanding individuals, groups, and chapters representing the best in public works profession. This is your opportunity to nominate someone or a project for the numerous 2010 National Awards available (www.apwa.net/about/awards.asp). Let's bring those projects forward for recognition!

Please note these submissions have time sensitive deadlines and all nominations must be submitted to the PWABC Awards Committee for review and approval prior to final submission by the Chapter. Anyone making a nomination must be prepared to provide all the necessary and pertinent documentation required to complete the submission(s) should the nomination be selected by the Chapter to submit to APWA. Please refer to the criteria and submission forms at: www.apwa.net/about/awards.asp

Submit nominations with completed submission packages to the PWABC Awards Committee at either: drichards@cthsystems.com or David.Sparanese@saanich.ca by February 3, 2010.

We look forward to receiving your submissions!
