The City of Coquitlam, approximate population of 125,000, is carving out a unique presence that is attracting more and more people to its neighbourhoods and significant investment into its infrastructure.

Labourer 2 – Capital Construction Crew (2 RFT Positions)

You will carry out manual work of some variety entailing physical effort and agility in performing unskilled and semi-skilled maintenance and construction tasks. The work is distinguished from that of Labourer I by the more complex and responsible duties performed which require previous related experience. Work performance is inspected during progress and upon completion for workmanship and conformance to established procedures.

Your background includes good knowledge of the methods, materials, tools and equipment used in general maintenance and construction work, the ability to perform a variety of unskilled and semi-skilled construction and maintenance tasks, carry out oral and written instructions and exercise some independent judgement and action in processing assignments. Also, you possess skill in the operation of power and hand tools used in the work, physical strength, stamina and coordination to permit the performance of heavy manual work in all types of weather. You have obtained the completion of the 8th school grade or equivalent and experience in general construction and maintenance work preferably as a Labourer I, and you hold a valid Driver's License for the Province of British Columbia. Class 3 with air endorsement an asset; Mainline construction experience an asset.
