## **Corporate Asset Management Supervisor Competition No. 03-03/10**

The City of Kamloops has a challenging opportunity available for a Corporate Asset Management Supervisor.

Reporting to the Corporate Projects Manager, the Corporate Asset Management Supervisor is responsible for the implementation and ongoing management of a Corporate Asset Management Program (CAMP) to ensure financial resources are allocated in the most cost-effective, sustainable manner for all Capital Assets owned by the City. The incumbent provides leadership and overall project management reporting through to the Asset Management Corporate Steering Committee.

The incumbent is also responsible for the identification, coordination, and tracking of key performance measurements that will be utilized by the various City departments as part of our corporate Quality program.

### **The successful applicant will have:**

- University degree in Engineering, Business Administration, Project Management or other related field OR an appropriate combination of related education and experience.
- Valid Class 5 BC Driver's Licence.
- Minimum of 3 years of supervisory experience.
- Strong organizational, oral, and written communication skills.

The hours of work for this position are 8:30 am – 4:30 pm (winter), 8:00 am – 4:00 pm (summer).

The City offers a competitive salary and a comprehensive benefits package for this management position.
