

# This Place, This Team, And You: **District of West Vancouver**

## **UTILITIES TECHNICIAN**

The West Vancouver Utilities Department requires the services of a permanent, full-time Utilities Technician responsible for technical field and office work related to a variety of municipal utilities functions.

The duties include the following:

- Performs design and project management work for utility based projects (potable water, sanitary sewage, and storm drainage) based on direction from a supervisor;
- Provides information and assistance related to infrastructure condition assessments, asset management analyses, and regulatory requirements;
- Collects and processes various data and maintains electronic and hard copy databases;
- Conducts field investigations and surveying as required;
- Handles enquiries, complaints and provides technical information and assistance to staff, the public, contractors, consulting engineers and others, as required;
- Performs other duties as required.

This position requires completion of a diploma program in Civil Engineering plus sound related experience, or an equivalent combination of training and experience. A Class 5 Driver's Licence for the Province of British Columbia is also required.

The successful candidate is required to supply a criminal record check and a copy of their credentials.

*This posting does not list all the duties of the position, nor does it fully detail the required skills, knowledge and abilities, licences and certificates required of candidates. For details please refer to the Class Specification which is available for inspection in the Human Resources Department or attached to the job posting on our website: [www.westvancouver.ca](http://www.westvancouver.ca).*
